#976M - AYRES

1003546183

THE COUNCIL FOR TOBACCO RESEARCH – U.S.A., INC.

February 5, 1975

Grant Application No. 976M

PULMONARY

To: The Committee comprising Drs. Gardner, Liebow and Wyatt

Subject: Stephen M. Ayres, M.C., Saint Louis University,
Saint Louis, Missouri

New Application No. 976M
"Relationship of Genetic Predisposition, Exposure to High Level Automotive Pollution and Cigarette Smoking to the Development of Chronic Airways Obstruction."

History

Grant application No. 976 (made when Dr. Ayres was located at St. Vincent Hospital, Worcester, Mass.) was deferred at the March 1974 SAB meeting, for further information and site-visit.

At the October-November SAB meeting, the application was disapproved in its original form.

The present application No. 976M is a modification of the original application.

Request

Application No. 976M requests $41,611 for the first year of a 3 year program.

Documents Submitted (attached)

1. Application, received by CTR February 5, 1975 (11 pages, including CV of Dr. Ayres).
